

Upcoming Events

Lake Jesup Project

Friday, July 24th
9 am – noon

*2356 Black Hammock Fish Camp Rd.,
Oviedo*

We will focus on building and repairing exclosures (fences) in Lake Jesup to protect planted eelgrass until it becomes established. Please let us know if you can join us (serv@seminolecountfl.gov; 407-665-2457), or if you are interested in this project, but are unable to attend on a weekday.

Pond Restoration

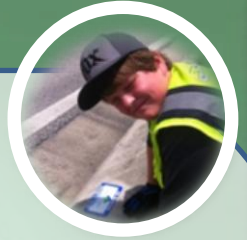

Saturday, July 25th
9 am – noon

Dew Drop Park, Casselberry

Join the City of Casselberry to restore Dew Drop Pond! Please contact Marissa Williams (mwilliams@casselberry.org) if available to help.

Ongoing Opportunities

Stormdrain Marking

With sixteen drainage basins in the county, and thousands of stormdrains to mark, we need your help! The goal of this county-wide project is to educate everyone that stormdrain systems carry not only water, but also anything else (excess nutrients, trash, and other waste) that runs off into the streets, and ends up in our lakes and rivers. This activity is great for groups or individuals.

Road & Waterway Clean-Ups

Help protect wildlife, water quality, and beautify the community by joining us for a roadway or waterway clean-up! These activities are great for a 1 day event; volunteers can spend a few hours collecting litter and immediately see the fruits of their labor!

Invasive Species Removal

Invasive species are a serious threat to our waterways and natural areas because they harm native plants and animals, and decrease water quality. We work to remove them in order to protect our precious natural resources. Invasive species removal activities, usually along shorelines or in the water, are great for group-tailored events!

Events scheduled upon request. Contact Elizabeth Stephens (407-665-2457; serv@seminolecountyfl.gov) for more information about these opportunities!

Adopt-A-Road/River

Help protect our water resources and reduce pollution by joining our Adopt-A-Road and River Programs. Adopt your own section of road or river in Seminole County and schedule clean-ups at your convenience (roads: minimum 4/year, river: 2/year). Contact Elizabeth Stephens (407-665-2457; serv@seminolecountyfl.gov) for more information.

Adopt-A-Park

The Adopt-A-Park Program facilitates the monitoring, clean-up and enhancement of parks, natural lands, trails, and trailheads maintained in Seminole County. For more information and to join this great program, contact Seminole County Leisure Services at 407-665-2001.

LAKEWATCH

Do you live on a lake? If so, consider joining LAKEWATCH! This citizen volunteer lake monitoring program facilitates "hands-on" participation in the management of FL lakes, rivers, & coastal sites through monthly monitoring activities. For more information, please visit: <http://lakewatch.ifas.ufl.edu/WHATFLW.HTM>, or contact Elizabeth Stephens (serv@seminolecountyfl.gov; 407-665-2457).

Wildlife & Bird Surveys

This is a great opportunity to enjoy the Wekiva Wild and Scenic River and tributaries! Enjoy a boat ride or canoe while you help protect this river and its wildlife with your data collection! Experienced birders and boat drivers needed, as well as data recorders (no experience necessary for data recorders). For more information, please contact Virginia Oros, FDEP River Ambassador (407-330-6727; Virginia.Oros@dep.state.fl.us).

FYN/FFL Seminole County

Pollination Celebration

06/20/2015 9:30 a.m. - noon
